Some Clients:

We at "Neuflex Talent" believe that a career as a journey can be better understood only by taking into consideration multiple aspects of personality such as aptitude, attitude, emotional strength, memory etc (innate) with peer review as well as the most suitable study methods (acquired) for an individual. In our Gestalt tests, we measure not just 4 or 5, but 21 different aspects of personality!  
Great investment for your successful future!
