**UPSC/MPSC Success = (Academics) X Psychological Readiness**

We at "Neuflex Talent" believe that a career as a journey can be better understood only by taking into consideration multiple aspects of personality such as aptitude, attitude, emotional strength, memory etc (innate) with peer review as well as the most suitable study methods (acquired) for an individual. In short Gestalt Test is an "Edge solution" and not a "Point solution." In Gestalt tests, we measure not just 4 or 5, but 21 different aspects of personality! Thousands of students have already benefited from this test. Great investment for your successful future!
